EXPERIENCE:

Associate Product Manager: *M2P Fintech* | Bangalore Feb'25 - Present

Product Delivery & Innovation

- **Built new product category:** Transitioned lending portfolio beyond traditional JLG models by architecting individual microloan framework, expanding addressable user segments
- **AI Integration:** Architecting a unified Document Analyser agent for MSME credit assessment - consolidating BSA, GSTR, and ITR analysis into one AI-powered pipeline, replacing 3 separate workflows
- Shipped 30+ features across LOS with zero operational disruption; managed sprint planning, grooming, and test case reviews to maintain shipping velocity

Process Optimization & Data Integrity

- **Led platform migration:** Directed LOS data migration from V1 to V2 with 100% accuracy through comprehensive testing protocols and engineering collaboration

Associate Product Manager: *LXME Financial Services* | Mumbai May'24 - Dec'24

Consumer Retention & Engagement

- Optimized conversion funnel by 49 percentage points (**81% → 32% late-stage abandonment**) through systematic friction analysis and hypothesis-driven UX redesigns across 7 onboarding screens
- **Improved D1 retention by 5.3%** by reducing app crash rates from 7% to 1.72% through root cause analysis of 200+ crash logs, directly impacting daily active user stability and Play Store discoverability

Product Experimentation & Growth

- **Launched 0-1 consumer product:** Shipped Prepaid Instruments (PPI) digital wallet for 50,000+ active users, validating core hypotheses around investment journey friction through pilot testing and iterative refinements
- **Ran market expansion experiment:** Designed and launched Lxme Lite (hybrid digital-physical model) to test connectivity barriers in Tier 2-3 cities, resulting in 40% user base growth and validation of banking correspondent distribution strategy

User Research & Insights

- **Conducted deep user research:** Analysed 500+ app store reviews, user feedback tickets, and support conversations to uncover emotional barriers in wealth management adoption for women
- **Translated insights to features:** Converted qualitative user pain points into quantified product improvements, achieving 95% client satisfaction rating

Product Management Trainee: *CAMS FinServ Account Aggregator* | Chennai Apr'23 - May'24

- **Improved merchant activation by 32%:** Revamped onboarding journey to 78% platform efficiency through data-backed friction analysis and UX hypothesis testing
- **Built SQL-powered analytics suite:** Created real-time insight dashboards resolving 100+ monthly client queries, achieving 95% CSAT, and API performance metrics, resolving 100+ monthly client queries with 95% CSAT rating
- **Drove enterprise adoption growth:** SPOC for 6 key FIU clients (Shubham Housing, Mahindra Finance, INDMoney, Finvasia, Jar, Vivriti AIF) owning prospecting, BRD authoring, onboarding, and production troubleshooting end-to-end, while deepening relationships through continuous use case discovery

AWARDS AND RECOGNITION:

- **Winner Sahamati (RBI) BuildAthon 2024** | Built [Automated Nominee Tracker](#) using AA framework and open-source LLMs
- **Employee of the Month, M2P Fintech (Apr'26)** | Recognized for contributions to the MFI Products suite and Kotak Mahindra Bank partnership project

TECH STACK & COMPETENCIES:

Product and distribution: Jira, Confluence, DevRev, Notion, Figma, Miro, Boardmix, TestFlight, Lovable, Claude Code, Vscode

Data and analytics: SQL, Python, Metabase, PowerBI, MoEngage, Appsflyer, Google Analytics, Firebase

EDUCATION:

Degree	University	Grade	Year of passing
M.B.A. - Operations and Marketing	ISSM Business School	7.8	2023
B.E. - Electronics and Communication	Saveetha Engineering College	7.4	2021
HSC - Computer Science	SMJV Matriculation Higher Secondary School	7.8	2017
